## The Cannabis Conundrum: An Experiment in Federalism or States' Rights Run Amuck?

Time: 12:00pm

Location: Gittis 214, Haaga Classroom

The Leo Model Foundation Government Service & Public Affairs Initiative invites you to join a conversation about recent developments in marijuana law and policy.

Under federal law, marijuana is a Schedule 1 Controlled Substance with no accepted safe medical use and a high potential for abuse, and its use is illegal. Nevertheless, a majority of states have legalized use of marijuana for medical and, in some instances, recreational purposes. Some states have decriminalized the personal use of small amounts of the substance. This program will examine the competing policy arguments on both sides of the debate and the lawyer's role in structuring a resolution of an increasingly disruptive but important policy problem.

Panel Moderator: **Nancy Nord**, *Distinguished Policy Fellow*, University of Pennsylvania School of Law

Panelists:

- **Professor Mark Kleiman**, Professor of Public Policy, New York University
- **Professor Peter Conti-Brown**, Professor of Legal Studies and Business Ethics, The Wharton School, University of Pennsylvania
- **The Honorable James G. Colins**, Senior Judge, Commonwealth Court of Pennsylvania

*This program has been approved for 1.0 substantive CLE credits for Pennsylvania lawyers. CLE credit may be available in other jurisdictions as well. Attendees seeking CLE credit should bring separate payment in the amount of \$40.00 (\$20.00 public interest/non-profit attorneys) cash or check made payable to **The Trustees of the University of Pennsylvania**.*
